NOTES:

For the calendar year 2018, our distributions are incorrectly coded as “foreign business income” for taxable income reporting purposes, which differs from prior years’ allocation as “foreign non-business income”. Allocation of the Trust’s distribution as either business or non-business income has no impact on unitholders’ tax returns as no foreign taxes are being allocated in respect of the Trust’s distributions. The Trust has amended the T3 reporting slips for immediate re-issue. We apologize for any inconvenience this may have caused.
